A001 Administrative Hearings

The Office of Administrative Hearings (OAH) holds administrative hearings for the adjudication of disputes between members of the public and most state agencies. Issues that come before OAH include individuals' claims for unemployment insurance or welfare benefits, child support liability, business and professional licensing, special education, whistleblower cases for local governments, and other disputes in which due process of law requires a hearing. OAH conducts hearings and issues findings of fact, conclusions of law, and decisions. Its services are funded by payments made by the affected agency. During the 2005-07 Biennium, OAH expects to complete 80 percent of all cases within 90 days of the date the appeal is filed.
